

BLAKE RITTER & SUMMER McCALL

We hope to be one of your easiest groups!

We need:

- Two chairs (without arms)
- Two XLR cables with phantom power for our instruments.
- Two vocal mics

Blake is only on fiddle

Summer is mainly on cello but also on fiddle for a tune or two using the same mic on both instruments.

Blake will use it only to speak but Summer will be speaking and singing a song or two.

That's it!
